distinction from Edith Cowan University and is a Visiting Associate Professor at Macquarie University.

Bronwyn Mercer

Architect – Azure Cloud and AIBIO - Microsoft Australia

Bronwyn is a security solution architect working for Microsoft in Sydney, Australia. Bronwyn has over 10 years of experience working in a range of IT roles, including system administration, incident response and security architecture. In her role, she helps organisations to design and implement secure solutions using Microsoft technologies. Bronwyn holds a Bachelor of Science in Information Technology from the University of Technology of Sydney and is currently completing a Master of Business Administration (MBA) at Charles Sturt University.

Outside of work, Bronwyn co-leads the Sydney chapter of the Australian Women in Security Network (AWSN), chairs the
